Aloha

The Intuitive Seating Experience.
Sleek looks and amazing, utterly comfortable performance.
Meet your new, more affordable workplace hero.

The Aloha Family

Featuring great design, comfort & affordability, the Aloha family of seating comes in both Easy and Active options.

Aloha Easy, the fuss-free seating has Haworth's ergonomic DNA, design and comfort. Aloha Active features a weight-activated mechanism.

Your 24/7 Workhorse

Quality comes first. Aloha's innovative design is the result of Haworth's decades of excellence in engineering task-seating.

Designed to work as hard as you do, it also comes with Haworth's unbeatable 10-year, 24/7 warranty for added peace of mind (exclusions apply).

Aloha Easy Upholstered Back

Effortless Style, Personified

Aloha has a contemporary look and feel combined with standout, everyday performance to fit seamlessly into all workspaces.

Adjust Aloha Active's look to your workplace needs - choose from six shades of mesh, two plastic trim colours (black or fog), two bases (standard black and fog plastic or optional polished aluminium), standard hard castors (black and two-tone) or soft castors.

Aloha Easy comes in black trim, a standard plastic base, standard black hard or soft castors and a new, optional upholstered back for even more comfort.

Aloha Easy Upholstered Back

Fits Just Right

Aloha Easy provides you with a fully adjustable lumbar support, seat and armrests so it can comfortably adapt to different ways of working. That means a reduction in work-related injuries like back and joint pain while workplace wellbeing and productivity are dramatically improved.

Aloha Easy Mesh Back

Hit the Sweet Spot

Support your best work – every way, every day. Smarter, smoother and more comfortable, Aloha Active perfectly balances good looks, affordability and function. Enjoy a more intuitive seating experience that makes it easier to sit well and for longer, with fewer adjustments.

The seat pan is purpose-built to be more supportive however you like to work. Height adjustable 4D arms, a back that locks to three positions and an optional adjustable lumbar support means you can tailor Aloha Active to a greater range of body types and working styles.
