

Ergo Laptop Tablet Stand

Portable and ergonomic

The Ergo Laptop Tablet Stand is a portable laptop/tablet stand that has adjustable height, width and angle settings.

High grade, light weight

Constructed of sturdy aluminium and plastic, the Ergo Laptop Stand's hollowed out design reduces the weight of the stand and overheating of laptops.

Highly engineered

As well as having adjustable size and angles, the Ergo Laptop Stand folds down completely flat and can be stored in the included neoprene case. The design of the Ergo Laptop Stand also makes it suitable to use for tablets.

Product Code

S100123

Specifications

Minimum size (height x width)

252mm x 182mm

Maximum size (height x width)

252mm x 275mm

Colour

Silver and graphite

Weight

360 grams
