Color Inspiration Guide

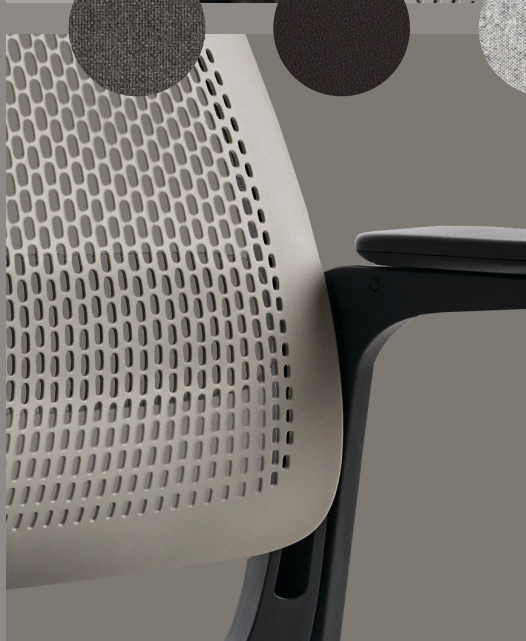

Simply Style Savvy

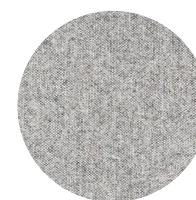

People are drawn to welcoming workspaces where they feel comfortable. Inspired by today's trends, Breck® makes the office feel like home. With its light-scale aesthetic and the soft curves of its petal-shaped GeoStretch™ back, Breck invites you to have a seat. The beautiful, smartly efficient design offers a carefully curated, on-trend palette of six back color options that can be paired with a range of upholstery choices and Black or Snow trim options that blend into any space.

Browse through the following palettes for ideas—and get inspired with Breck.
